Dealer: Ebay (USA (Gunterchris seller))

[www.ebay.com](http://www.ebay.com)

Sale History: - sold for 176 USD (February 26th, 2003 - Classical Numismatic Group)

### Additional Comment:

This specimen unites an earlier reverse with a later obverse. Given the state of affairs during the late summer of 68 AD, as Galba was pressing his march on Rome, it is not inconceivable that some at the mint may have been a bit distracted; thus this interesting type with historical overtones.
